Scott Bullett  
Owner/Head Trainer

Please let me introduce myself, my name is Scott Bullett and I have played professional baseball all across the world for the past 18 years. I also have been running a baseball school during the winter months for 11 years in Welland, Ontario.

Currently, I have been assembling a select group of very talented 12-18 year olds to play Showcase Baseball in the United States and Canada, that includes League play, Tournament play, College Showcases and year round professional baseball training. The team is a non-profit entity that relies on sponsorship and player fees to sustain itself.

Coach

I feel that \_\_\_\_\_ has an opportunity to play with this all-star team this coming season. I would like to take this opportunity to request your financial support for this young man who is based in your district. All player sponsor monies will be directed to player's fees. We can offer your business a web page advertisement on two web sites, the baseball team site and my business site. Both sites will predominately be used as the primary source for parents and friends to acquire league information. The sites have accumulated over 140000 hits during the past two years. Team travel will be extensive, with families referring to the web sites for local information of visiting cities. We can put your business info, logo, web link or all three if you desire on both web sites as our way of thanking you for your support of this player.

Rob Bland  
Coach

Baseball in Ontario is a growing entity with many talented players. Finally, this is an opportunity for young players throughout all of Southern Ontario to showcase their talents on an international level. It is our hope that with the type of professional training and exposure to top level play, these young stars will progress to a point that when they reach their senior years in high school, they will have the ability to obtain college scholarships through my program.

Dave Davidson  
Coach

If you have any further questions about my program, league play or other activities, please do not hesitate to contact me at your earliest convenience. We are hoping to acquire all sponsorship funds prior to the start of the 2010 baseball season. Thank you in advance for your consideration. Remember, you will be giving a child an opportunity to fulfill a dream.

Sincerely,

Scott Bullett
